

HydroPeptide Anti-Wrinkle Polish & Plump Peel 2 Step System

Targeted Solutions

What it is: Instantly receive the benefits of a gentle microdermabrasion, a light chemical peel and a pampering facial in just two easy steps.

- Helps to reduce the appearance of fine lines and wrinkles
- Exfoliates to promotes healthy cell renewal
- Brightens hyperpigmentation
- Helps promote healthy collagen
- Enhances treatment delivery
- Improves skin radiance and clarity

Who it's for: Suitable for all skin types, especially rough, dull, pigmented and aging skin.

How to use it: After cleansing, apply a pea-sized amount of Peel 1 Polishing Crystals on skin and massage crystals gently in upward circular motions for 1 to 2 minutes. Do not scrub. Do not remove and apply Peel 2 Plumping Activator over Peel 1 and massage for 2 to 3 more minutes. Foam will appear and skin may feel warm and tingly. Do not leave on skin for more than 8 minutes. Rinse and dry. Follow with appropriate HydroPeptide hydrating product. For Sensitive Skin: Premix Peel 1 and 2 then apply thin layer of mixture on skin without massaging and let set for 3 to 5 minutes.

Key Formulated Ingredients:

Peel 1	Oxygenating Microdermabrasion Crystals	Mechanical Exfoliant	Eco-friendly sodium bicarbonate crystals provide thorough, yet gentle mechanical exfoliation while oxygenating skin.
	Vitamin C (MAP)	Skin Brightener	Stable form of Vitamin C that inhibits melanin production and has been shown to fade existing pigmentation
Peel 2	5% Lactic Acid	Chemical Exfoliant	Breaks down the bonds between dead skin cells to gently encourage cell turnover for a more radiant complexion.
	Argireline® Trylagen®	Wrinkle-Relaxing & Collagen-Boosting Peptides	Helps to relax the muscle contractions that cause expression lines as well as support healthy collagen production to help improve facial volume and reduce the appearance of wrinkles.
	Actiphyte® Complex	Antioxidant & Anti-Irritant Blend	A blend of Japanese Green Tea, Chamomile, Cucumber, Bearberry, Rosemary and Coneflower extracts provide a rich source of antioxidants and polyphenols to nourish and protect the skin as well as providing brightening and anti-irritant benefits.
