

## HydroPeptide Eye Authority Dark Circles, Puffiness, Fine Lines Anti-Wrinkle Collection

**What it is:** This multi-functional eye cream immediately brightens dark circles with crushed pearl while diminishing expression lines, wrinkles and puffiness over time.

- Relaxes crow's feet
- Helps to reduce the appearance of fine lines and wrinkles
- Brightens under eye circles and immediately enhances radiance
- Reduces puffiness

**Who it's for:** Appropriate for all skin types, especially those with dark circles, puffiness, crow's feet and aging skin in the eye area.

**How to use it:** Use ring finger to apply a half pea-sized amount to the eye contour and above the crease of the eyelid. May be used AM & PM.

**Available Sizes:** Travel Size 0.17 FL OZ (5 mL) | Retail Size 0.5 FL OZ (15 mL) | Professional Size 2 FL OZ (59.15 mL)

### Key Formulated Ingredients:

<b>Haloxyl™</b>	Multi-Functional	This peptide complex reinforces firmness and tone of the eye area while also eliminating blood pigment responsible for dark circles.
<b>Matrixyl® Synth'6™</b>	Firming Peptides	A powerful peptide complex that increases structural integrity to firm skin and smooth wrinkles.
<b>Beautifeye™</b>	Multi-Functional	A bark extract shown to strengthen the microvascular network in the eye area, thus reducing capillary leakages and minimizing pigment accumulation in the under eye area.
<b>Pearl Powder + Mica</b>	Illuminator	Immediately illuminates the eye area to create a brighter and healthier appearance.
<b>Plankton Extract</b>	Brightener	A microalgae-liposome fraction enriched to brighten and even skin tone and reduces age spots via smart melanin modulation.
<b>Vitamin C &amp; E with Olive Extract</b>	Antioxidants	A diverse antioxidant blend combined with botanical extracts to deliver well-rounded nourishment and protection.

### FULL INGREDIENT LIST:
