HydroPeptide Moisture Reset

Phytonutrient Facial Oil

Anti-Wrinkle + Restore Collection

What it is: This antioxidant-rich blend of a dozen precious oils locks in moisture and helps protect skin from environmental stressors and free radicals. Pure plant oils plus soothing rice bran extract thoroughly nourish and support your skin's natural lipid barrier.

- Nourishes and hydrates skin
- Improves skin barrier function
- Softens skin overnight

Who it's for: Suitable for all skin types, especially dry or aging skin.

How to use: Gently swirl bottle before use. Use dropper to dispense 3-5 drops in hand. Use gentle sweeping and patting motions to apply oil over face and neck. May be used AM & PM. Follow with Hydro-Lock Sleep Mask or appropriate serum and moisturizer.

Available Sizes: Retail Size 1 FL OZ (30 mL)

Key Formulated Ingredients:

Moisturizing Oil Complex	Moisturizers	Five types of tree and flower oils including Sunflower, Safflower, Olive, Avocado, and Jojoba to lock in moisture and help repair skin's barrier function.
Nourishing Oil Complex	Antioxidants	Seven types of tree and flower oils including Pumpkin, Lavender, Chamomile, Geranium, Ylang Ylang, Calophyllum and Tea Tree Oil combined to nourish and protect the skin.
Botanessential RRST	Ingredient Protector	A combination of Rice Bran, Rosemary, Sunflower Extract, and Tocopherol (Vitamin E) that helps protect nourishing oils in the formula from oxidizing.
