

HydroPeptide Nimni Cream

Patented Collagen Support Complex

Targeted Solutions

What it is: Discover Nimni™ Technology and significantly improve the appearance of skin's fullness and elasticity.

- Combines Dr. Marcel Nimni's revolutionary research on collagen with time-release retinol to rejuvenate skin and lessen the look of fine lines and wrinkles.
- Helps improve skin's fullness and elasticity.
- Helps to optimize collagen production through an exclusive, patented amino acid complex.

Who it's for: Appropriate for skin that is not sensitive, especially those with expression lines and concerns with wrinkles and/or loss of facial volume.

How to use it: Apply a small amount to a clean face and neck at night. Carefully avoid the eyes and the corner of the eyes. Begin use twice a week and then increase frequency as tolerated.

Contraindications: Do not use retinol products if you are pregnant or nursing, taking prescription acne medication, or in conjunction with waxing, chemical peels or resurfacing procedures. Always use a high, broad spectrum sunscreen when using this product.

Available Sizes: Travel Size 0.17 FL OZ (5 mL) | Retail Size 0.5 FL OZ (15 mL) | Retail Size 1.7 FL OZ (50 mL) | Professional Size 2.0 FL OZ (59 mL)
