

HydroPeptide PolyPeptide Collagel+ Line-Lifting Hydrogel Mask for Face Pro Solutions

What it is: Enhance facial results with this Polypeptide Collagel+ Mask for Face. To promote a youthful complexion, Hydrogel technology is infused with key collagen supporting peptides and hydrating nutrients to reduce the appearance of fine lines and wrinkles while brightening age spots.

- Helps boost collagen in the skin for a plumper, firmer appearance.
- Provides immediate hydration and locks it into skin for long-term comfort.
- Helps to calm and cool skin after aggressive treatments.

Who it's for: Appropriate for all skin types.

How to use it: Dry skin thoroughly after cleansing. Separate the gel masks from the clear film and apply each half to face as indicated. Leave for 10 to 20 minutes. Remove the gel masks. Rinsing is not required. Apply appropriate serum, moisturizer, and SPF.

Available Sizes: Professional Size 12 Treatments per box. 1 treatment includes 2 pads, upper and lower.
