

Intellishade® Clear

Daily anti-aging untinted moisturizer with sunscreen

PRODUCT FACT SHEET

packaging size	product pH level	product should last	sample available
1.7 oz tube	Skin-Neutral	2-3 months	0.1 oz tube

Primary Benefits

A 4-in-1 daily anti-aging moisturizer with broad-spectrum SPF 50 that corrects, protects, brightens and hydrates skin with an oil-free, lightweight formula. Prevents all visible signs of aging and enhances skin's natural moisture barrier, reduces the appearance of fine lines and wrinkles and brightens and evens skin tone. Also protects skin from UVA/UVB radiation to reduce photoaging and free radical damage.

Points of Difference

A multi-tasking, oil-free formula that provides 4 anti-aging benefits in one step. Features Hyaluronic Acid and Biosaccharide Gum to provide immediate and long-term hydration to the skin. Reduces and prevents the visible signs of aging with a powerful blend of three bioavailable peptides and antioxidants such as THD Ascorbate (Vitamin C) and Epigallocatechin Gallate (EGCG) from Green Tea to prevent long-term skin damage. Botanical extracts further protect skin from UV stress and damage. Boron Nitride diffuses light and absorbs heat.

Who Benefits

Excellent for all skin types especially combination and oily skin. Ideal for those who prefer a lightweight or oil-free moisturizer.

How to Use

Apply evenly to face and neck as the last step of your morning skincare routine. Can be used with Vitamin C Lotion 15% or 30% for added antioxidant benefits.

Active Ingredients

AVOBENZONE 3%, HOMOSALATE 3%, OCTINOXATE 7.5%, OCTISALATE 4%.

Inactive Ingredients

WATER (AQUA), C12-15 ALKYL ETHYLHEXANOATE, CYCLOPENTASILOXANE, HYDROGENATED STARCH HYDROLYSATE, CETEARYL ALCOHOL, POLYGLYCERYL-3-METHYLGLUCOSE DISTEARATE, BORON NITRIDE, BUTYLENE GLYCOL, GLYCERIN, GLYCERYL STEARATE, PEG-100 STEARATE, TETRAHEXYLDECYL ASCORBATE, YEAST EXTRACT (FAEX), CAMELLIA SINENSIS (GREEN TEA) LEAF EXTRACT, EPIGALLOCATECHIN GALLATE, BETULA ALBA (WHITE BIRCH) BARK EXTRACT, BIOSACCHARIDE GUM-1, UBIQUINONE, CETYL DIMETHICONE, PALMITOYL TRIPEPTIDE-5, SQUALANE, SODIUM HYALURONATE, PALMITOYL DIPEPTIDE-5 DIAMINOBUTYROYL HYDROXYTHREONINE, PUNICA GRANATUM EXTRACT, PLANKTON EXTRACT, STEARETH-20, TOCOPHERYL ACETATE, ALLANTOIN, LECITHIN, TETRADECYL AMINOBUTYROYLVALYLAMINOBUTYRIC UREA TRIFLUOROACETATE, GLYCERYL CAPRYLATE, CARBOMER, LEUCONOSTOC/RADISH ROOT FERMENT FILTRATE, TOCOPHEROL, STEARETH-10, SIMMONDSIA CHINENSIS (JOJOBA) MEAL EXTRACT, DISODIUM EDTA, MAGNESIUM CHLORIDE, POTASSIUM SORBATE, FRAGRANCE (PARFUM).

Intellishade® Clear

Daily anti-aging untinted moisturizer with sunscreen

F R E Q U E N T L Y A S K E D Q U E S T I O N S

1 How is Intellishade® Clear different from Intellishade®

Original? Both formulas have powerful anti-aging ingredients. However, Intellishade® Clear is an untinted, oil-free moisturizer that intensely hydrates skin with Hyaluronic Acid and Biosaccharide Gum. Intellishade® Clear provides broad-spectrum protection using chemical sunscreens. Intellishade® Original is a 5-in-1 tinted moisturizer that provides the additional benefit of concealing with a sheer mineral tint. It hydrates using a blend of Squalane, Aloe and Glycerin. Intellishade® Original also provides broad-spectrum protection with a blend of both physical and chemical sunscreens. Both products can be used on all skin types but drier skin types may prefer Intellishade® Original and oilier skin types or those not looking for a tinted formula may prefer Intellishade® Clear.

2 I am prone to breakouts. Can I use this product?

Yes. Intellishade® Clear is oil-free and contains ingredients to reduce the oiliness often associated with sunscreens.

3 Does this product help reduce the appearance of fine

lines and wrinkles? Yes. Intellishade® Clear contains three different bioavailable peptides which work synergistically to increase hyaluronic acid synthesis, reinforce the dermal-epidermal junction, and increase collagen production for a firming and filling effect.

4 What antioxidants are in Intellishade® Clear?

Intellishade® Clear contains Epigallocatechin Gallate (EGCG) from Green Tea, Pomegranate Extract, THD Ascorbate (Vitamin C), Ubiquinone (Coenzyme Q10) and Vitamin E to help protect the skin from free radical damage. This antioxidant blend also helps protect the skin from oxidative stress.

5 How do these extracts help my skin?

The extract blend includes White Birch Extract, Yeast Extract (Faex) and Plankton Extract to help strengthen the skin's own natural defenses. Yeast Extract balances the skin's Microbiome.

6 Which ingredients provide UV protection?

Avobenzene helps protect the skin from UVA rays while Octinoxate, Octisalate and Homosalate help protect the skin from UVB rays. Boron Nitride helps diffuse light and absorb heat.

7 What is the difference between UVA and UVB rays?

UVA rays penetrate the skin deeper than UVB rays and are more responsible for premature aging such as wrinkling and leathery skin. UVB rays primarily cause skin redness, inflammation and burning. Both UVA and UVB rays have been shown to cause skin cancer.
